

# Stratford Cattle Market

IMPROVING THE GATEWAY TO STRATFORD-UPON-AVON

## Next Steps

Redrow is planning to submit a full planning application to Stratford-on-Avon District Council shortly, which will specify a finalised layout for the scheme.

Prior to doing so, Redrow will consider the comments raised during the consultation and where appropriate seek to amend the scheme accordingly.

Many thanks for attending and we hope you found the exhibition useful.

## Tell us what you think

Please fill out a comments form before you leave, as your views will then have a role in informing the final character of the scheme. If you have any further questions, please do not hesitate to ask a member of the project team.
